*At the Queens Head we have been serving some of the finest food in Gloucestershire for over seventeen years under the same ownership.*

*We are not a chain pub/Restaurant  
 we are a private Family owned business.*

*We employ chefs who are passionate about cooking and creating new dishes, not operating microwaves. (DING!!!)*

**Our evening menu is completely different.**

*At busy times there may be a wait, we cannot produce home cooked food in minutes and neither do we wish to, that's why we are busy. Please relax and enjoy the atmosphere of a 260 year old pub.*
